Coveted annual award highlights home remodeling and design professionals with top ratings and most popular designs among the Houzz community

San Francisco, CA, January 21, 2021 – **NBR Design Build** of San Francisco, CA has won a “Best Of Houzz” award for Customer Service on [Houzz®](#), the leading platform for home renovation and design. The 15-year old design build firm was chosen by the millions of homeowners that comprise the Houzz community from among more than 2.5 million active home building, remodeling and design industry professionals.

The Best Of Houzz badge is awarded annually, in three categories: Design, Customer Service and Photography. Design awards honor professionals whose work was the most popular among the Houzz community. Customer Service honors are based on several factors, including a pro's overall rating on Houzz and client reviews submitted in 2020. Architecture and interior design photographers whose images were most popular are recognized with the Photography award.

A “Best Of Houzz 2021” badge will appear on winners’ profiles as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

“The Best Of Houzz awards are an emblem of trust and credibility for home professionals across the U.S. and around the world, and we are excited to celebrate this year’s winners,” said Liza Hausman, vice president of Industry Marketing for Houzz. “The COVID-19 pandemic has highlighted the critical need for people to feel comfortable before inviting pros into and around their homes, and the Best Of Houzz badge is a powerful way for pros to communicate the trust that homeowners have in their business. It’s just one of many tools on the Houzz platform that help pros to communicate their unique expertise, and homeowners to find the right professionals for their projects.”
